PROTECT GARDEN

Provanto natural

feed & defend

Made from 100% natural ingredients, Provanto Natural Feed & Defend provides essential nutrients that nourish and strengthen the plant to build its defence system.

- A ready-to-use plant feed
- For use on ornamental & edible plants
- For use in the garden, conservatory & greenhouse

INSTRUCTIONS OF USE

- Always wear GLOVES when gardening
- Bottle made from 100% recycled plastic

When to use

Most effective when used during Spring and Summer months (March to August).

Where to use

- For use in the garden, in the conservatory, and the greenhouse.
- For use on ornamentals and edible plants.
- Do not use in bright sunshine.
- Avoid directly spraying delicate open flowers.

Crop / Usage

- Maximum 2 applications per month throughout growing season, 7-14 days apart.
- Can be used on Ornamentals i.e. Roses, Spirea (ornamental shrub) and Ornamental trees.
- Edibles i.e. Tomato, Potato, Brassicaceae (Cabbage, Radish), Bean, Apple and Pear.
- For best practice, allow 7 days from last application to harvest edibles.

How to use

SHAKE WELL BEFORE USE

1. Press down the small tab on top of the nozzle firmly, where indicated.
2. At the same time, twist the nozzle to the 'ON' position by turning 1/4 of a turn in either direction.
3. Spray the whole plant evenly to just before run off (when drips start to form at the tips of the leaves).
4. After use, twist the nozzle back to the start position, ensuring the tab has reset to the locked position.

Product and Storage Safety

Keep only in the original container in a cool well-ventilated place. Store under dry conditions. Keep container tightly closed. Keep out of reach of children. Protect from heat and direct sunlight. Protect from frost. Dispose of contents/container properly.
