

**Controls a wide range
of important pest species
including Whitefly, Aphid,
Spider Mite, Mealybug, Scale and Psyllid.**

DIRECTIONS: SHAKE BOTTLE WELL
BEFORE USE. For maximum effect
spray the upper and lower leaf
surfaces thoroughly on a weekly basis.
Store out of direct sunlight above 10°C
and below 25°C.

**For best results repeat spray
weekly.**

NOTE: Some varieties may be susceptible to
scorch, especially in hot conditions (advisable
to spray small trial area first). We cannot accept
any liability that directly or indirectly results from
using, transporting and/or stocking this product.
