Welcome

We are pleased to present our National Product Catalogue 2026-27 - a special edition, as this is the year we celebrate 80 years of Fargro.

To mark the milestone, we've added over 100 new lines to the range, with some real standouts on the retail side this year.

Leading the decorative collection are our new straight-sided Olive planters, in marbled green and marbled brown - clean, contemporary shapes with a quality finish. Our Country Garden collection grows too, with two new butterfly planters in deep green and deep rust.

There's plenty for animal lovers. Our new puppy planters come in three styles across three colourways - mottled blue, brown and white - joined by our Beloved Cat and Dog planters, a lovely choice for the pet owners among your customers.

For spring and Mother's Day, our floral tin planters make charming, ready-to-sell gifts. And our new heavyweight floral planter is a genuine statement piece - beautiful with or without a plant, and an easy gift-sell on the retail floor.

To see the full range, we warmly invite you to visit our Northern or Southern Showroom, where you can explore everything in person and meet the team. As always, we offer a bespoke design and sourcing service to develop exclusive products tailored to your needs.

We look forward to supporting your success in the year ahead - and to celebrating 80 years of growing together.

Mark I'Anson
Procurement & National Products Manager

Fargro believes in responsible sourcing of all its products. Fargro are members of Sedex and have completed a full ethical trading audit. Fargro holds an FSC chain of custody certificate.

All prices quoted online and in the price list exclude VAT and delivery. All prices are subject to a minimum order value. Whilst we do our best to provide accurate product information such as measurements and colour descriptions, there may be variations. All pack sizes stated are correct at the time of going to print although on occasions these may change during the year.

CTi Premium Planters

CTi and Fargo Working Together

Fargo have collaborated with CTi plastics to develop and bring to the market a premium range of plastic pots and containers.

We are pleased to introduce our new styles for 2026.

Innovation in trends, colour and quality is at the heart of every pot.

CTi uses 85-100% post consumer recycled plastic and water based paints.

CTi Premium Collection

Our high end premium containers are guaranteed to make an impact. Made to be long lasting, these items are sure to make a bold statement in any location.

Bring DCM Plant Based Feed to your Garden Centre

To find out more
get in touch with your
Area Sales Manager

Why stock DCM Plant Based Feed

- Trusted by professionals and backed by trial work, DCM delivers remarkable results for both novice and experienced gardeners
- Suitable for organic growing, DCM demonstrates your commitment to promoting sustainable and environmentally responsible practices
- Low minimum orders and great margins
- In-demand solution for growers switching to peat-free - easy to recommend, proven to perform

Why your customers will love it

- Contains slow-release nutrients for steady, long-lasting plant support
- Encourages strong root growth for better plant stability
- Certified for organic use, ideal for sustainable growing
- Supports natural defences to reduce disease risk
- Easy and efficient application with uniform mini-granules
- Gives 75-100 days of release (NPK 5-3-8)

Display Racks

Simple and effective way to display hanging baskets from your Danish trolley.

Strong and robust to withstand heavy loads.

The flower bucket rack is a shelf that can be placed in Danish trolleys and CC containers to display or transport flower buckets. Can also be used to transport 12" round cone hanging baskets. The rings are made of galvanised steel and have a diameter of 24cm.

This product can also be combined with the Horti-Display and Display-Maker.

Watering Trays Heavy Duty & Reusable

Advantages:

- Longer selling period
- Less waste

These water trays are designed to provide your plants and flowers with a water reservoir when positioned on Euro pallets.

The water trays are designed to provide your plants and flowers with a water reservoir when used on Danish trolleys or CC containers.

Available in two thicknesses.

Blocking Discs

With blocking discs, you easily secure Danish trolleys, auction carts or CC containers. Once you put a caster in the hole of a disc, the cart will no longer move/roll, which makes applying wrapping film to the cart an easy task.

The blocking discs can easily be transported or placed thanks to their simple design. The bottom is equipped with anti-slip, and the extra steel rings prevent them from sagging.

**BLOCKING DISC FOR DANISH
TROLLEYS OR CC CONTAINERS**

HORBDDT	29.98

Wippon Transporters & Vehicles

A simple yet effective way of moving Danish trolleys around the nursery or garden centre.

The wippon car is located under the trolley to enable the pneumatic wheels to support the trolley and move over uneven ground. The trolley can be locked onto the wippon car during movement.

Wheels: 100mm wide
x 400mm diameter.

WIPPON CAR DANISH TROLLEY MOVER

F/CODE	£ EACH
WWT	246.29

The 4x4 version of the wippon car has 4 wheels and a handle. This makes creating a train of wippon cars possible which can be pulled with an electric vehicle.

This makes the 4x4 wippon car perfect for the transportation of Danish trolleys and CC containers over soft surfaces such as ground covers or tiny gravel.

Multikett Matting System

Multikett ground tiles are a practical alternative to concrete slabs for walkways and transporting CC containers. Their low weight allow them to quickly and easily be laid by hand with no compacted substructure required, creating a slip-resistant, low noise environment for customers and employees alike.

Manufactured from post-consumer cable sheathing, the mats are 100% recycled and 100% recyclable.

- Transform unpaved surfaces into customer-friendly areas
- No compacted substructure is required
- Rubber-like material reduces running and rolling noise
- Slip-resistant surface
- Can be driven over by a car
- 100% recycled and 100% recyclable material

Trolley Track

Danish Trolley Track

These trolley tracks made from recycled plastic are the optimal solution for Danish trolleys. They have a wheel guide and can be inter-linked.

- Easy to lay
- Ideal for stationary and mobile purposes
- Pedestrian area with anti-slipping protection (pimples)
- Stable, weather-resistant and long-lasting
- Sound dampening
- 100% recycled and 100% recyclable material

Aquaflex® Irrigation Hose

Aquaflex®, an outstanding all-terrain UV resistant irrigation hose that delivers exceptional durability, flexibility and water flow performance.

Manufactured in the UK, Aquaflex® kink resistant water hose is the ideal heavy-duty choice for all irrigation purposes, as well as for water supply and delivery applications.

The multi-layered construction of Aquaflex®, using custom formulated materials and our exclusive high tensile braiding reinforcement technology, delivers superior flexibility and resilience in all weather conditions, ensuring performance levels that exceed those of comparable products in the professional hose market.

Key Features

- UV resistant.
- Highly flexible – ease of handling.
- Abrasion and kink resistance.
- Ultra smooth liner ensuring water flow performance.
- Resistant to repeated pulling, bending, crushing.
- Available in 25m, 50m and 100m coils.
- RoHS 3 compliant.

1. High strength Phthalate free PVC
2. Polyester fiber reinforcement
3. UV resistant PVC cover

Sizes

Available in 25m, 50m and 100m coils

Applications

- Horticulture
- Fruit, vegetable growers
- Golf clubs
- Agriculture
- Landscaping
- Industrial
- Construction
- Public sector

Perforated Stretch Films

Introducing our range of Perforated Trolley and Pallet stretch films.

Why choose our perforated films?

- Optimal ventilation: Prevents moisture build-up, perfect for perishables
- Robust support: Ensures load stability and reduces transport risks.

Handwrap

- Adhesive only on the inside of the film but extremely slippery (non adhesive) preventing wrapped trolleys or pallets sticking together.
- Holes are sized to prevent foliage from protruding through the film during transport but in sufficient quantity to ensure adequate ventilation for the plants
- Core length is 500mm to allow use of hand held applicator
- Strengthened edges to prevent ripping and facilitate locating the start of the film once more.
- Material Polyethylene (LLDPE) 100% recyclable
- Lightweight and durable.

MACRO HANDWRAP MINI FLORA

F/CODE	WIDTH MM	LENGTH M	THICKNESS MICRON	UNIT	£
GPHPF	420	300	7	x 8	75.00

Machine Films

Macroauto Aerextra 5 Perforated films

- Material Polyethylene (LLDPE) 100% recyclable
- Adhesive only on the inside of the film
- Reinforced macroperforated stretch film for semi automatic or automatic wrapping machines with medium or high pre-stretching
- Their extreme resistance, makes these films really suitable for wrapping and stabilizing all types of loads, thanks also to its high stretching memory (aver 30%) and tearing resistance.
- Pre cut vertical slits will result in rectangular shaped perforated holes once stretched to 200 - 250% depending on film and machine settings
