Christmas catalogue 2026

We're delighted to share our Christmas & Halloween 2026 Catalogue - our biggest yet, with over 80 new products alongside the returning favourites your customers already love.

This year we've gone all out on the details. From the harlequin tin planters in classic red and gold, to hand-painted ceramic pots wrapped in carousel scenes, rustic wooden crates and sweet wicker baskets tied with ribbon - there's something to suit every display style and every price point.

Whether your customers are drawn to traditional charm or something with a bit more wow factor, this range has it covered. And with stock moving fast on seasonal lines, we'd recommend getting your orders in early to avoid disappointment.

We're proud of what we've put together this season and we hope it makes your festive displays the best yet.

Best regards,
Mark l'Anson
